Re: The Doe Run Herculaneum Smelter Transportation Plan and Materials Handling Plan

Dear Bruce:

Enclosed are the work procedures and records/certificates for Appendix B and C as directed by The Doe Run Herculaneum Smelter Transportation and Materials Handling Plan. Please remove existing appendices and replace with the enclosed material. We will continue to work closely with EPA, MDNR and DHSS to make Herculaneum better tomorrow than today.

Should you have any questions please call me at 636/933-3180.

Sincerely,

Aaron W. Miller
Environmental Manager of Primary Smelting
The Doe Run Company
